GROW YOUR DOWNLINE

Some say Young Living members are different, and it's true. Not only are our products and opportunity unique, so is the difference we make in this world. Propelled by our passion to empower individuals to whole-life wellness, Young Living spreads this commitment to the poorest of the poor through The D. Gary Young, Young Living Foundation.

D. Gary Young said, "I never make a product for a profit. I make it for a purpose." The Foundation is part of the purpose pillar of Young Living, enabling Young Living to reach the goal of getting oils into every home and, with your help, making and being the difference for thousands of people.

WHO WE ARE

The D. Gary Young, Young Living Foundation is committed to empowering individuals to achieve their potential and defy limitations by providing wellness and education opportunities to underserved communities.

OUR VISION

Young Living envisions a world where children are provided with the resources and opportunities necessary to become confident, self-reliant leaders who can take control of their own health, provide for their families, and positively change their community.

Since D. Gary Young started the Foundation in 2009, the focus has been on giving those who receive far too little attention the tools and resources they need to unlock possibilities. The mission and vision serve as the compass for providing long-term solutions.

YOU CAN HELP

ENCOURAGE YOUR TEAM TO ROUND UP:

Rounding up is the easiest way for members to give back to Young Living. If every member rounded up to the nearest dollar when placing an order, it would generate more than \$4 million this year! In your VO, go to Essential Rewards and click on Change Payment. You'll see the Automatic Round-Up option. Check the box and your orders will be rounded up to the nearest dollar.

HOLD YOUR OWN CAMPAIGN:

Starting a campaign is easy! Go to younglivingfoundation.org/fundraiser/create. Pick a name, goal, and project and just like that you'll be ready to begin your fundraiser. Spread the word about your fundraiser to your downline and friends. Then watch your efforts spread! One hundred percent of what you raise directly impacts your chosen project.
